[Chorus:]

See you look good but chu gotta man
So after tonight I hope you understand
I'm a never leave my girl
I'm a never leave my girl
I'm a never leave my girl
For you

She hit me with that "oh Ben one I love you so"
"I love you so much I wanna take you from her"
"Steal you steal if I'm comin on strong but I've been
drinking all night long"
That's cool me to show me what it do
You got them curves baby and a lot of nerves baby
So I'm a give it ta you, give it ta you, give it ta you, give
it ta ya
Like you want (want) gotta man but you say you don't
Take a look at ya caller I.d.
Whose callin (him) stalkin you (it's him)
He wanna know where you (been)
And if you coming home to (him)

[Chorus: x2]

See you look good but chu gotta man
So after tonight I hope you understand
I'm a never leave my girl
I'm a never leave my girl
I'm a never leave my girl
For you (For you)

Now look whose callin (ooh) whose gon blame
My boo my ride or die chick shawty is my baby
And I ain't gon mess that up for a one stand (u crazy)
So I'm a keep it real, keep it real, keep it real
Cause that's how I do, I gotta let you know the truth

You look fine but u ain't fine enough to go and make

[Chorus: x2]

See you look good but chu gotta man
So after tonight I hope you understand

I'm a never leave my girl

Later on tonight you'll be at my place
And we bout ta do this thang, said we bout ta do this,
Said we bout ta do this thang, said we bout ta do this

Look Look shawty say he never had a girl like me
But I never proly had a boy like he
We can get together and do the all night thing
That thing, that we
Gotta try and keep it on the d. low
Don't tell no body where we go
Rush and I'm feelin yo ste-low
Yes I'm afraid we can't be so (we know)
