I've Got a Feeling...  
Like last night wasn't such a good night  
Cause my head really doesn't feel right  
And god dammit, the sun is too, too bright

My leg is bleeding...  
And my clothes smell like they might ignite  
And I guess at some point I stole a kite  
And my girlfriend and I had a huge, huge fight

My brains on fire  
Drank way too much  
Swallow an Advil  
Then throw it up  
Can't find my cell phone  
Oh. There it is  
It's in the toaster  
12 messages

I know you ignored my calls  
Cause you made out with Karen  
Don't lie, Rachel saw  
I hate you, don't call me, you sad sack of s\*\*t  
By the way, to get even I showed Mike my t\*ts

S\*\*t. s\*\*t. s\*\*t.

So that was bad  
I messed up  
But Karen Patrick, damn that girls... Hot!  
This must be her  
Well done monsieur  
Oh Karen Blatt?  
I'm gonna throw up again

I've got a feeling...  
That today's gonna be a long day  
God, I wish Mickey D's had a buffet  
And I increasingly think I broke my leg

Cause I can't feel it...  
And I vaguely remember a slight fray

Holy crap, it's my mom. What do I say?  
Cause I can't let her take my car away

Last night was fun (DRINK! )  
I studied hard (DON'T BE A d\*\*k! )  
I wrote an essay (COLLEGE! )  
About the Bard (Shakespeare's gay)  
Went to bed early (BEER RUN! )  
I'm eating right (This is so good)  
Another call, Mom.  
I love you... Too!

Hey pumpkin bear (Sup?)  
I messed up  
I drank tequila (What the hell?)  
It f\*\*k\*d me... up  
I love you Gina (Karen Blatt?)  
I made mistakes (Woo! )  
Wait, I did what?  
Now I remember again...

I caught Mike, threw a punch  
Thought that he dropped-drop-drop-drop  
He got up, grabbed a bat  
Too drunk to block-block-block-block  
Hit my leg, really hard  
Blacked out from shock-shock-shock  
Woke up here, so now I know  
Let's start from the top

I've got a feeling...  
That last night was a freaking great night  
That I got in a really sweet fight  
And above all I now own an awesome kite
