There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us somewhere

There's a time for us
Someday a time for us
Time together with time to spare
Time to learn, time to care, someday!

Somewhere, we'll find a new way of living
We'll find a way of forgiving, somewhere

There's a place for us
A time and place for us
Hold my hand and we're halfway there
Hold my hand and I'll take you there
Somehow, someday, somewhere

Somewhere
