Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance
Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance
Tongue of ash catches drop
From sharp and bloody steel.
Weve danced too long to ever stop,
Its time for a broken mind to heal.
Black stare could shatter stone.
Black knife rests - white body prone.
Dark angels watch the play below
Black soul wants to die young,
Black lips smile when dark tongue
Tastes the wine from your kind
Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance

Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance
Crimson tongue catches drop
From nails like razorblades
The dance is done, the game is won
Its time for a broken heart to feel
Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance
Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,
At the sharp blade of romance
Black eyes, black lips, black nails.
We are dancing a slow dance.
Kiss of ash, my tongue fails,

At the sharp blade of romance
Black eyes... Black lips... Black nails, Black eyes
