I can't believe my eyes, she so sweet and still so
clean
I had to make my move, i had to get you this once, no
time to lose

Do you mind if I put my arms around you?
Would you be pleased if I took you home with me?
Do you mind if I gave you a kiss and touched you?
And then we make love until the sun will rise

And then we wake up looking at eachother, trying to
remember
But the headache reminds me how drunk I was
You were not so sweet and not so clean any more
I got to get out, please can you leave?

Do you mind if I put my arms around you?
Would you be pleased if I took you home with me?
Do you mind if I gave you a kiss and touched you?
And then we make love until the sun will rise

Do you mind?

Do you mind?

Do you mind?

Do you mind?

Do you mind if I put my arms around you?
Would you be pleased if I took you home with me?
Do you mind if I gave you a kiss and touched you?
And then we make love until the sun will rise

Do you mind...

...if I put my arms around you?
Would you be pleased if I took you home with me?
Do you mind if I gave you a kiss and touched you?
And then we make love until the sun will rise

Do you mind...

...if I put my arms around you?

Would you be pleased if I took you home with me?

Do you mind if I gave you a kiss and touched you?

And then we make love until the sun will rise

Do you mind... (Fading out)
