So far gone  
Wish I was lost  
Can't seem to move  
Can't seem to stop

Why can't love be bought at cost?

I used to be  
Well maybe not  
Too hard to think  
Can't make a thought

Why can't love be bought at cost?  
Why can't love be bought at cost?  
There is hope  
If there's tomorrow  
I'll find some money  
That I can borrow.....for awhile

I heard it ring  
The aim was spot  
Right through my chest  
I took a shot

Why can't love be bought at cost?  
Why can't love be bought at cost?
