Don't go there's a thing or two
I just want to get through to you and
Don't look back just love me some
I'll be here till the morning comes

Do you believe that I want you
So much deeper than this

CHORUS

All I wanna do
Is be with you
Break into your mind
Have a piece of your world this time
All I wanna learn
Is talking the turns
And straighten them out somehow for you

Sweet dreams wipe me off my feet
Fill me up when I'm running on empty
Hold on be close to me
Lose yourself and you set me free

Do you believe that I want you
So much deeper than this

CHORUS

All I wanna...

I wanna show you forbidden things
Turn you upside down so I can play your heartstrings
I would like to kiss you and make you mine
This time

CHORUS

All I wanna...
