Visit "[I Gotta Go](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Since you got my private number  
Why don't you call  
Since you moved into my big house  
Why don't we talk  
I don't need  
You to tell  
Me the lies  
Once again  
Who cares anyway  
Just another evening  
In a very small town

Chorus  
I gotta go  
I gotta go  
I gotta go insane today  
I gotta blow  
I gotta blow  
I gotta blow your mind away  
Don't you think I dare

If you want my tongue to tease you  
Why don't we kiss  
If you want my lips to squeeze you  
Why don't we touch  
I am here  
And I care  
About you  
Mister Mew  
But I do understand  
Why I got the feeling  
That I'm trapped in your hand

Chorus x 2

I don't think I quite deserve  
Your lack of taste  
Credit cards and timeshares doesn't help  
After all I'm quite attractive  
Don't you think  
Don't you think

## Chorus
