

Colorblind "I Wanna Know"

Visit "[I Wanna Know](#)" on MotoLyrics.com

Iâ'm seeing within a frame
shades of a wicked game
that left me here
on my own

Living a life in vain
how can I stay insane
Iâ'm losing you

CHORUS I wanna know Â– where Iâ'm going to
I wanna know Â– myself
I wanna know Â– what Iâ'm looking for
What Iâ'm doing here
Why Iâ'm losing you

I seem to hesitate
when you don't appreciate
what I don't say
when you're awake

Is it conspiracy
Is it in you and me
Iâ'm losing you

CHORUS
I wanna knowÂ...
I wanna knowÂ...
Iâ'm losing you

CHORUS: repeat
