Iâ've got things  
To tell you about me  
But Iâ'm much too shy  
In my heart  
Iâ'm red and romantic  
But I don't know why

Oh oh  
I might disappoint you  
Rain on your parade  
Show my true affection yeah  
That's what I really am

Chorus:  
A sentimental fool  
Breaking the rule  
Changing my style  
For a while  
A sentimental fool  
Playing it cool  
Whatever I do  
I do it for you  
A sentimental fool

In my head  
I dream about roses  
And a wedding ring  
I just want  
To walk in the moonshine  
Saying foolish things

Oh oh  
Iâ'm not that dramatic  
Iâ'm not that extreme  
Iâ'm not wild and wicked...yeah  
That's how I really am

Chorus: Repeat
