Think I have to leave
Thrusty, lusty life
All I want is this
Exploring silence

Think I have to dig
Deeper down this time
Swimming in the white
Space between my eyes

Chorus
Sway
Sway yourself away
Make your Buddha play
For another day
And on and IÂ...
Sway
Try to find my way
Oh my mind was curled
In the western world
I'm back in India

I have heard my soul
Knocking on the door
When I lost my faith
In religion

Now I'm standing here
Contemplating me
On a sack of beans
Down in India

Chorus
Sway
Sway your self away
Make your Buddha play
For another day
And on and on IÂ....
Sway
Try to find my way
Oh my mind was curled
In the western world

I'm back in India
Having so much fun
Swaying in the sun

I can feel your voice
Penetrating me
I can taste your sweat
In my bloodstream

I can see your sign
On my bedroom wall
Now I know you're here
Breathing in to me

Chorus Repeat

I'm back in India
I'm back in India
I'm back in India
I'm back in India
