Let me wash you
I am the water
Let me wash you with me
Let me wash you
A creek of warmth
Let me wash you
Let me

A warm and starry night
I've got you by my side
Tenderly
Savagely

I always feel a stormy
Passion
To watch you reach out
For my love
Tenderly
Savagely

Chorus
Let me wash you...

Help me God above
Should I feel sorry for my love
My honesty
Savagely

I always feel s stormy
Passion
To watch you reach out
For my love
Tenderly
Savagely

Chorus
Let me wash you...

My honesty
Savagely
Let me was you with me
Let me wash you

Let me
Let me wash you
I am the water
Let me wash you with me
Let me wash you
A creek of warmness
Let me was you
Let me
