One two, one two three  
As I start out on this new endeavour  
Trying to make an honest buck  
Because, I guess, it's now or never  
'Bye now, wish me luck  
All around me shrapnel flying  
Lord, please teach me when to duck  
Far braver man than I are dying  
'Bye now, wish me luck  
They say that hindsight is 20-20  
Well finally they got something right  
I just heard from the guy who sent me  
Say's it's time to say good night  
The odds are stacked up high against me  
It's too late now, the deal is struck  
Until some scientist reinvents me  
'Bye now, wish me luck

Find the bridge  
They say that hindsight is 20-20  
Well finally they got something right  
I just heard from the guy who sent me  
Say's it's time to say good night  
They told me that my stock was rising  
But they lied and now I'm stuck  
Things look bleak on the horizon  
'Bye now, wish me luck  
'Bye now, wish me luck  
'Bye, 'bye now, wish me luck  
'Bye, 'bye now, wish me luck  
'Bye, 'bye now, wish me luck  
'Bye now, wish me luck  
'Bye, 'bye now, wish me luck
