I never met a girl like Euphoria Jones (Euphoria Jones)  
I never met a man who could leave her alone (Euphoria Jones)  
Everywhere she goes heads all turn  
Walking down the street she makes the sidewalks burn  
Well, I'm not blind; I see she's one of a kind, Euphoria Jones

Everybody's fighting for the next dance (Euphoria Jones)  
Everybody's waiting for their chance (Euphoria Jones)  
I'm no different; I'm just like the rest  
But I know she'll never be possessed  
Well, I'm not blind; I see she's one of a kind, Euphoria Jones

Well, god made the birds and god made the bees  
(Euphoria Jones)  
God made the flowers and the leaves on the trees  
(Euphoria Jones)  
God made the meat and god made the bone  
I don't know who made Euphoria Jones  
Well, I'm not blind; I see she's one of a kind, Euphoria Jones
