I've been on a roll; I've been feelin' pretty good now
I've been feelin' pretty good for a long, long time
Feelin' pretty good, I've been keeping out of trouble
I've been keeping out of trouble for a long, long time
And I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead

It's not what you belief, it's who you tell about it
Who you tell about it when your turn comes around
It's not what you say; it's what you do to show it
Now is not the time to throw the crutches down
And I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead

I'm gonna take somebody at the old tent meeting
The old tent meeting I will cast my net
I'm gonna cast my net, I'm gonna take somebody
I think I might be lookin' at the best catch yet
And I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
I'm ashamed of myself (You got a crutch, you'd better use it)
Ashamed of myself in these days ahead
