First thing she said was: "We're the German girls  
We are three and sometimes four  
We have travelled halfway around the world and now  
we're knocking at your door"  
They didn't come for fun and they didn't come for  
romance  
They handed us a ticket so we thought we'd take a  
chance

Dorothy, was the taller girl with long brown hair  
Sissy, wore wire rimmed glasses, sometime braids  
Helga, she was shorter and her hair was black  
The other girl, I never knew her name  
They didn't come for fun and they didn't come for  
romance  
They handed us a ticket so we thought we'd take a  
chance

Coast to coast, what they liked the most wasÂ...  
East to west, what they liked the best wasÂ...
