I'm not gonna choke on your hard sell media dope
Yeah, I'm not going out like that
I don't want to hear about the summer of love
I'm not going back in time
I don't even want to let love rule,
I want to break the back of brotherly love
I don't wanna go back in time,
I want to kill Jerry Garcia
I wanna take the past and throw it away,
I wanna burn the bridge between then and now
I don't wanna go back in time,
I wanna kill Jerry Garcia
I don't want to sow the seeds of love,
I wanna punch Marty Balin in his eye
I don't wanna go back in time,
I wanna kill Jerry Garcia
(Man, I don't have a quarter, leave me alone)
I don't want no Dead blood on my hands,
I don't wanna shake the flesh and bone
I don't wanna kill the myth,
I wanna kill Jerry Garcia
I wanna kick that skeleton in his teeth,
I'd wanna kick Pig Pen if he were alive
I don't wanna go back in time,
I wanna kill Jerry Garcia
Kill Jerry (x9)
