I was just looking at the moon in your eyes,
I thought it was mine,
Oh what a ride.
I gotta be ready for moving inside,
You won't but I might,
Oh what a ride.

Stay as you are,
aching with love,
far from your mind,
Jennifer.
Out on a lie
I found you in time,
I found you in time,
Jennifer,
Jennifer.

I was just dreaming of the ribbon of lie,
You're feeling me right,
Oh what a ride.
I gotta be ready for changing my life,
You won't but I might,
Oh what a ride.

Stay as you are,
aching with love,
far from your mind,
Jennifer.
Out on a lie
I found you in time,
I found you in time,
Jennifer,
Jennifer.

I was just looking at the moon in your eyes,
I thought it was mine,
Oh what a ride.

I was just looking at the moon in your eyes,
I thought it was mine...

Oh what a ride(X6)
