You don't pay the rent  
You don't know how it feels  
To be one step from poverty  
But when I'm alone  
I smile to myself  
Though the room is draped in shadow  
And I draw with the sun  
'Cos in the night, colours run  
And this fight had hardly begun  
Now it's over

And I am the boat  
No one upon me floats  
And I am the tree  
Nothing grows under me

I draw with the sun  
'Cos in the night, colours run  
And this life had hardly begun  
Now it's over

And I wait in the rain  
As you leave on your train  
It's so long till we meet again  
And I'll miss you  
And I'll haunt you  
But I am the boat  
I am the boat
