Red light, friday night, hittin' the town, I had some  
George Strait crankin with the windows down, til this  
escalade,  
Thumpin' bass, drowneded him out he was rattlin his  
rims and shakin the ground, oh hawh

I put my foot on the gas I didn't have to go far, I found  
this funky little steel and fiddle redneck bar, the band  
was in the  
Middle of "your cheatin heart", I bought a bag of tater  
chips and a PBR. Settled down on a stool plannin on  
stayin, but when  
They took a break the DJ started playin...

Hip Hop in a Honkytonk, wait a minute hold the phone  
somethin's wrong I came in here to hear a country  
song, not hip hop in  
A honkytonk

Now what do you think ole hank would say, it'd kill em if  
he still was alive today, I bet money that he's rollin over  
in his  
Grave, cuz hank sure as hell didn't do it that way

Hip hop in a honkytonk, I'll give you twenty bucks in you  
turn that sh\*t off, you ask me it oughta be outlawed,  
hip hop in a  
Honkytonk

When all of a sudden every girl in the club, got on the  
floor startin shakin her butt, it was packed, it was  
stacked from  
The front to the back, this cowboy ain't seen nothing  
like that

Hip hop in a honkytonk, they were dancin like strippers  
but they kept their clothes on, I'm starin to think that I  
might been  
Wrong about hip hop in a honkytonk  
Cuz when they move like that I'll watch em all night  
long, hip hop in a honkytonk, I gotta admit I'm havin

second thoughts

About hip hop in a honkytonk, I came in here to hear a  
country song, but I'm diggin hip hop in a honkytonk
