For all my downfalls
I'm better...
For all my let downs
I'm better, I'm

Thinking of ghosts
And dreaming of UFOs
Living in big houses
With ivy covered walls

For all my downfalls
I'm better...
For all my let downs
I'm better, I'm

Thinking of ghosts
And dreaming of you and I
Living in big houses
And laughing all the time

It's time now

For all my downfalls
I'm better
For all my let downs

They lead to you I realize
Your world is what I've waited for
It's clear,
The universe is right here

For all my downfalls
I'm better...
For all your let downs
I'm better...

Oh, where do you go
When you need love
Where do you run
Who do you trust
There's no need complaining
It's just noise 'cause

We're good enough
