What if I'm wrong
And you figure it out
That we just don't belong
And you're better off without me

The minute you're gone
I bet it would dawn on me
Suddenly, suddenly
Yeah

So "what if I"
What if I fall
Would you hate me
Would you let me go
What if I realized
That you're the only one
Who makes me
Who makes me whole

Blundering on
Making no sense
Without any thought
To the consequences
But one of these days
The truth will be facing me
And i will find a way back to you again, oh

So "What if I"
What if I fall
Would you hate me
Would you take it all
What if I realized
That you're the only one
Who makes me
Who makes me
Who makes me whole
Yeah
Who makes me whole now

What if i
What if i find the thing that i want

The minute you're gone
I bet it would dawn on me
Suddenly, suddenly
Yeah

So what if i
What if i fall
Would u hate me
Would u take it all
What if i realized
That you're the only one
Who makes me
Can make me
Who makes me whole
