ALL THAT I WANT

(Words and Music by Columbia Chaaise)

Since you met me

my whole life has changed

love has made me

a different person

you're life

I see ahead of me

into the happiness

All that I want

is you here with me

all that I need

is your love baby

nothin eles can

make me feel

this way

i've tried everything

Oh I see you

and my heart get happy

i feel you all the time

baby day and night

all that I want
is your love with me
all that I need
to be complete
is you
and your love
to be as one
la la la la da
la la la la da
(Repeat)
All that I want
is your love baby
all that I need
to be complete
all that I want
is you baby...
all that I want
is your love...
You're all that I want
