When I wanna Go Higher
I lift him up... come on
Celebrate Gods Love... Yeah, Yeah
Celebrate Lift Him Up Gods Love
The Army of God
Lift Him Up
Celebrate The Love of God
Celebrate Gods Love
Celebrate Gods Love
Lift Him up... Oh

Celebrate Gods Love
Celebrate Lift him up (repeats)

Wait a minute
It felt like fire
Something about it...
Went on to the water
Went on total down
Got sanctified just a bit
I use it in life
Every night oh...

Let me tell you all something
You Can Celebrate
You Can Celebrate
Lift Him Up
Celebrate Yeah... Ah...
Somebody help me...
