DO YOU FEE ME

(Words and Music by Columbia Chaaise)

Do you feel my body baby  
when you lay close to me  
at the times when I cant sleep  
can you feel my heart beating  
Sometime I cry out your name  
though you're not there  
I know you hear me anyway  
babe tell me, tell me true  
do you feel me like I feel you  
I can't sleep, I can't work  
no, no if I want you  
my mind's set on makin love to you  
I dont know  
All I know is that you're love  
drives me crazy  
Do you feel me like I feel you  
the thought of makin love  
makes me want you  
(Repeat)

Got a nice surprize  
who's that at my door  
thought I would put on clothes  
but what I need them for  
it was my baby  
and I hit the floor  
we tore it up  
before you go  
hit it once more  
Do you feel me like I feel you  
the thought of makin love  
makes me want you  
(Repeat)s  
Feel me babe  
do you feel me  
do you feel me...  
like I feel you..  
like I feel you  
like I feel you yeah  
and every night and day  
I feel the power...like I feel you
