FATHER

(Words and Music by Columbia Chaaise )(BMI)

You heard my plea

while on bended knees

You rescued me

from the stormy seas

When there was no one else

you comforted me

you guide my dreams

my reality...FATHER

You gave me light

when I could not see

through the darkness

that blinded me...

You gave me love

now I sing

I love you Oh...

My loving...FATHER

You are the one

Almighty King

and I your servant

Please let me be  
One to guide home  
your sheep  
hear your love  
through the words I sing...FATHER  
As I go  
through the valley of Darkness  
let me be the one who holds brave  
Call on your holy ~~~~  
and the devil runs away  
I love you FATHER  
You are my everything  
And I wanna tell the world  
that I love you and I need you...  
FATHER  
You heard my plea  
while on bended knees...FATHER  
You rescued me  
from the stormy seas...FATHER  
When there was no one else  
you Comforted me...FATHER  
You guide my dreams  
my reality...FATHER  
I love you  
I love you...FATHER

Thank you for loving me...FATHER

through the darkness times...FATHER

I love you ooh...I do

FATHER
