HEAVEN

(Words and Music by Columbia Chaaise)

Take me to the places

down in Key Largo

I wanna dance a while

down in Chicago

take me far away

like Montigo bay

to places that I've never been

take me far away

when you make love to me baby

take me to heaven

I've never seen Santiago

never had the pleasure of stayin

in Monaco

but I've been to the milky way

sun set a golden day

cause I've been to heaven with you..ooh

and I've been visiting the angels above babe

cause I've been to heaven loving you

la la la

dee da dee da da

they say if you're lucky you can get to heaven

but i say tha blessed cause i've already

hey yeah

Cause when I made love to you

I knew you were an angel then

when I made love to you

I woke up babe in heaven

and I'll be dancin on the stars above

every time that we make love

I go to heaven

said I'll be dancin on the stars above

every time that we make love

I go to heaven

yeah...take me to heaven

take me to heaven

take me to heaven
