I CANT LET GO

(Words and Music by Columbia Chaaise)(BMI)

I often look at your picture

it seems to confort me

reaching out with a feeling

that i hope to see well...

This silly heart

this feeling of denial

of yes I know

you dont really want me

what a life I dread to live

wtihout you

what an errieness babe

if i cant hold you

Just thought i'd let you know

baby

Just thought i'd let you know

you move me

Just thought i'd let you know

i need you love

Just thought i'd let you know

I have the pains of love babe

some odd inside of me

but I cant deny this

that i'm loney...babe

The silly lie

you will come home

and hug me

were holdin on

maybe our love deserves it

but I cant hold on

even though I'm trying to

and i cant let go

because I love you

Cant Let Go

no, no I...

Cant Let Go

I never did you know I...

Cant Let go(never the Less)

even though it hurts me, well I...

Cant Let Go

The silly lies then

opened up a problem

the city lights from the window

how much longer

and I...cant let go

end
