LOVIN YOU

(Words and Music by Columbia Chaaise)

Sitting on the bed tryin to figure out things

a little bit and i'm so glad that I did

cause I came up with the conclusion

that i was lovin you

some time way back when

hard times and a struggle came

and hit our life

but we just kept on holdin on

and we went through trouble and strife

but I'm not going no where cause I'll be

lovin you..ooh yea

no matter what type of hard times

I'll be lovin you

no matter what we go through

i'll be lovin you

ooh wee...baby you and me against the world

just keep on lovin you...oh..that's what I'm gonna do

You see I was raised to believe that if you stick

to anything...you can overcome the mountain

and I know for sure that it's true
cause I know deep inside of me
all the problem we've had
we've overcome them
People said that it could not be done
but I just stayed on my knees
and I prayed till the race was won
now here we are
just me and you
and baby i want you to know
that i'm still lovin you
right now...I'll be
lovin you...that's what I did
and that's what I'm gonna do
I'm gonna be lovin you
you see i'm lovin you
yea...no matter what the
hard times bring to us
I'll be lovin you...oh baby
for tonight let's be quiet
clear our minds and think right
cause I'm still...
Some times I've thought about
givin up...
and I look back and say I've

come to far to just
walk away from this one time
love...i love so much
and I look deep inside
I said I still a love you so much
why should I just give up and
turn my back on this that I am
still diggin of
still wanting of
still gotta give it
have it God I want it
aint no way I'm gonna stop
lovin you...aint no way I'm
gonna stop lovin you...
you know what
I'll still be lovin you
twenty years from now
ten years from now
five years from now
a moment from now
a second from now
I'll be lovin you
Eternity will hit
things might be over
for this life time
and after all is done

i'm gonna be lovin you

look for me in heaven

I'll be there

still baby lovin you

cause I do

I'll be lovin you...
