MY LOVE IS BLIND

(Words and Music by Columbia Chaaise)

My love is blind

I can feel your thoughts

all in your mind

sometimes late after dark

it feels so good yeah

to have you here

love me you should

tell me you want me near

Love is so blind

when it's perfect light

could not be brighter

with another light

heaven in my hand

don't wanna let it go

I understand now

what it means to glow

feeling like I do

know I could never

find another you

you bless me
cause love is so blind
I can feel your thoughts
when it's just right
theres a spark in the dark
love is so blind
remember what I was tellin you
when love is blind
it sees no faults
