Spoken Intro:

Oh yeah...let's take it back

back unto the time

when a man and a woman

made a committment

A time when love was real

not all this I'm yours and

I'm there's too

I can look in your eyes baby

and see that you're tired

of all these love games

you're tired of all the

falsified love and

Come on baby...com'on

take my hand...let's get

on over to my place...

You are tired baby

of being alone

said you looking for a love sugar

that you can call your own

come on let's get on away

from here ...let's get on over  
to my place  
I know...it's been a long time  
for you  
but baby its been a long time  
for me too  
since I felt the fire  
of love like i'm feeling from  
you right now  
All I wanna do  
is love you down baby  
yeah... Aw baby  
you are tire baby  
of being a lone, lone  
lone, lone, lone, lone,  
lone...  
let's to baby to  
my place  
come on take my hand  
and let's go on over  
no fighting and good loving  
delicious food baby  
Oh...Someone to hug you  
and kiss you and love you  
and oohwee baby
