SAY YOU WANT ME

(Words and music by Columbia Chaaise)

Ooh I want you

(repeats 2x)

want me babe too

I'm yours if you want me

come on baby come and get me

take me hire dont let me go

in your arms, come on and light my fire

butterflies...playin within my belly

need your lovin to satisfy me like

no other come on I want you

oh I need you

cant you feel me callin

Ooh I want you

repeat 2xs

ooh want me baby too

Feel the power burning

Feel the warmth yearning

Say you want me...

Say you want me baby all night long

like a river babe you keep it coming strong

hook me up baby all night long

Say you want...Say you want me

(Repeat)

Ooh I want you

repeat 2 xs

want you to want me too
