SUNSHINE

(Words and Music By Columbia Chaaise)

Sunshine open up your voice and sing

freedom...Yeah

up in heaven liberty bells ring

and I wanna go high

over the rainbow dancing

and I wanna run free Yeah...

just the sunshine

sunshine and me

oh sunshine yeah yeah yeah

open up your voice and sing

oh freedom yeah...I wanna

live free

well, just like the birds

flying high

just like the butterfly

just like the bee buzzin by

thats how i want to live my life

free...yeah

let the sunshine shine on me yeah...oh

sunshine open up your voice and sing...yeah

cause I wanna go

over the rainbow dancing

I wanna be free

sunshine in the night

open up your heart

and let the sunshine

sun shine on me..

.

sun shine on me

(repeat to fade)
