Words and Music by Columbia Chaaise

Thanks for the party

I had a real good time

all those memories

flashed before me tonight

I cant forget

how baby you move me

say baby

you still the one

to drive me crazy

ain't nobody taken

your place yet

though you are far

away

Stop signs

red lights

one way streets

Always...

Rain upon me oh...

so I say baby

it's okay

though you went away

I can't for get

So I say this

Thanks for the Party
