I've travelled many roads
I've sailed every sea
I've climbed every mountain
But it always chases me

My immortal thoughts
Will soon be gone
And I'll be joining
Kingdom come

No more tomorrows
Life is ending heer
Memories of yesterday
The sky is getting clear
Soon I'll be history
Joining atmosphere

A needle in my arm
Addicted to pain
Chemical adrenaline
A slave to the game

Stop the madness
People kept telling me
Well that's what I'm gonna do
To end this misery

No more tomorrows
Life is ending here
Memories of yesterday
The sky is getting clear
Sonn I'll be history
Joining atmosphere

A bullet in a gun
Symbol of death
It won't be long
'Til my final breath

No more tomorrows
Life is ending here
Memories of yesterday

The sky is getting clear
Sonn I'll be history
Joining atmosphere
