Oh I see how your always tryn to please me  
And I know, it gets hard with my insecurities  
And I wish so much that I could heal myself completley  
But it's hard sometimes, my past takes over my life  
And I wish this pain away

Away, away from all this pain, but no matter what it  
takes  
I gotta make it through the rain, away, away from all  
this pain, you're  
The man in my life, I wanna be by your side, don't  
wanna fight anymore  
Oh I'm just so afraid mmm

The first time that you told me you loved me  
I always knew that I loved you, but at the same time  
I didn't want to love you, cuz I was so scared  
That you would hurt me, but yet I never felt so safe and  
secure  
With you by my side, don't wanna push you away, I'll do  
whatever it takes  
To keep our love alive

Away, away from all this pain, but no matter what it  
takes  
I gotta make it through the rain, away, away from all  
this pain, you're  
The man in my life, I wanna be by your side, don't  
wanna fight anymore  
Oh I'm just so afraid mmm

I know I gotta great man by my side  
And my past can't take over my life, I'm not goin  
change  
I'm not goin be the same, push this burden away

Away, away from all this pain, but no matter what it  
takes  
I gotta make it through the rain, away, away from all  
this pain, you're  
The man in my life, I wanna be by your side, don't

wanna fight anymore  
Oh I'm just so afraid mmm  
... I'm so afraid
