I thought I liked you  
But that was just a mistake  
When I noticed it  
It was already too late

I thought I liked you  
But that was just a lie  
I wanted to love you  
But I didn't ever really try

But now I know  
You're a bitch  
You're a whore  
You're a chick  
But I don't want you anymore

You think I like you  
You think you know it well  
But if it's up to me  
I'd rather go to hell

Cos now I know  
You're a bitch  
You're a whore  
You're a chick  
But I don't want you anymore

When I see you nowadays  
I see a man in your arms  
When I see you nowadays  
I see you use your charms

You ask him for a light  
You want him for the night  
You think you're doing it right  
You want to take a bite  
Of this fucking transvestite

Well now I know  
You're a bitch  
You're a whore  
You're a chick

But I don't want you anymore

You're a bitch

You're a whore

You're a bitch

You're a whore

Bitch

Bitch

Bitch
