Inner meet me, oh you can't decide [repeated 10 times]

Last night I dreamt somebody fell asleep between my knees

I couldn't help it rejected by a boy called me

Last night I dreamt somebody fell asleep between my knees

I couldn't help it rejected by a boy called me

Last night I dreamt somebody fell asleep between my knees

I couldn't help it all my thoughts were rejected by a boy called me

She said to me

Keep yer head up

Never show up

Keep it all in never dream alone

Away on a star

Who is too far

Say what you feel

He couldn't heal

Never dream alone

Never dream alone_____

If you can feel that the light is on the ceiling

Then you can't see past your nose

Just what you seeing???

She's a fool...

I never listen but the people who are christian all want to move away?

???????????

???????????

???????????

She said to me

Keep yer head up

Never show up

Keep it all in never dream alone

Away on a star

Who is too far
Say what you feel
He couldn't heal

Never dream alone
Never dream alone _____

Inner meet me, oh you can't decide (repeated
