I tried to write a song today
The devil knows I couldn't get far
Went to the beach but I couldn't find a path
Tried to catch a train but it wasn't where I went
Gunna catch a plane but it wasn't where I flew
All the time I flew and yes I'm tryin' to get back to you

I love your way (miles and miles and miles and miles
and miles and miles)
I love your way (miles and miles and miles and miles
and miles)

I wish I had a pot to piss in I'd take it out-side
I'd take it outside just to catch a little rain
I'd catch a little rain just a' for a little ride

(I'm a-dreaming) I love your way (I'm a-dreaming)
(miles and miles and miles and miles and miles and
miles)
(I'm a-dreaming) I love your way (I'm a-dreaming)
(miles and miles and miles and miles and miles and
miles)
(I'm a-dreaming) I'm a-dreaming of you

And it seems so very simple that I don't think that I can
tell you
And the knocking in my cranium reminds me of a travel
drug
Makes it sound a simple feeling can we go around I
dream and dream and dream

(I'm a-dreaming) I love your way (I'm a-dreaming)
(miles and miles and miles and miles and miles and
miles)
(I'm a-dreaming) I love your way (I'm a-dreaming)
(miles and miles and miles and miles and miles and
miles)
(I'm a-dreaming) I love your way (I'm a-dreaming)
(miles and miles and miles and miles and miles and
miles)
(I'm a-dreaming) I love your way (I'm a-dreaming)

(miles and miles and miles and miles and miles and
miles)

I love your way (miles and miles and miles and miles
and miles and miles)

I love your way (miles and miles and miles and miles
and miles and miles)

(miles and miles and miles and miles and miles)

(miles and miles and miles and miles and miles)
