Born to live
Live to die
Ain't there more in life
Rot in hell
Burn to death
Just like a fuckin' suicide

Be a coward
Act like Kurt
Die the way he died
Or hang with us
Raise the roof
And join our metallious ride

Screaming guitars
Pounding basses
It's like a dream come true
Banging heads
Raging crowd
The choise is up to you

Grab a guitar
Become ah ero
Is there more in life
Jump the stage
Surf the crowd
Or kiss your life goodbye

Screaming guitars
Pounding basses
It's like a dream come true
Banging heads
Raging crowd
The choise is up to you

Screaming guitars
Pounding basses
It's like a dream come true
Banging heads
Raging crowd
The choise is up to you
