A broken promise is dying in the gutter
Bleeding, screaming, can't go on any further
A dying bloodpool of hate
Used to be a Judas, guided by fate
Killed himself with grief
Sorrow, perdition and disbelief
Spoilt his change of rehabilitation
By ending his frustration

Jesus, don't make me bleed
Jesus, forgive me my greed
Show me the powers to be
And revalidate me

Torture me with chains of iron
Lead me all the way to your Zion
I am but a lowly worm
The consequence of mutated sperm
The virus of failure infected my soul
Lost friendship, a parasite on the prowl
Killing its victims with an alien ease
Please God, let me die in peace

Jesus, don't make me bleed
Jesus, forgive me my greed
Show me the powers to be
And revalidate me

Anger, anger, anger

Jesus, don't make me bleed
Jesus, forgive me my greed
Show me the powers to be
And revalidate me

Make my guilt disappear in my pain
Like witches when they catch the flame
The secret of life, who can tell
The twelveth round, I can hear the bell

Jesus, don't make me bleed
Jesus, forgive me my greed

Show me the powers to be
And revalidate me
