It's a Tuesday night and I can't be
With the people that I love tonight
Left me all alone and I can't forgive them
I guess I'll be on my own

I tried to see it their way
I tried to be alone
I tried to do my own thing
But the trouble with your own thing
Is you end up on your own

It's a Tuesday night and again I seem
To be on my own for the second night in a row
Simple lesson here is to try and find a friend
To try and find a friend
To try and find a friend

Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?

It's a Tuesday night and I can't be
With the people that I love tonight
Left me alone and I can't forgive them
I guess I'll be on my own

Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?
Can you hear me?

I tried to see it their way

I tried to be alone
I tried to do my own thing
But the trouble with your own thing
Is you end up on your own

You end up on your own
You end up on your own
