Janine

I strayed all over town
Memories all around
Long time since I have seen
My good old friend janine

Always on my mind
Wondering if she's fine
I called her on the phone
I wish I should have known

Janine(x3)

It happened all so fast
We both had such a blast
I thought it was a dream
The wildest one I've seen

Her body full of life
Got me mesmerized
It shook me very hard
For the money she had asked
Can't believe what's going on+
Look around what you've become,
Janine, Janine
Watch your back and be alert
Cash is ruling our world
Janine, Janine

She's putting on a mask
Is loving you for cash!
I told her, please watch out
She started laughing loud

Can't believe what's going on+
Look around what you've become,
Janine, Janine
Watch your back and be alert
Cash is ruling our world
Janine, Janine
