Tea For Two

I'm discontented with homes that are rented, so I have  
invented my own;  
Darling this place is a lover's oasis, where life's weary  
chase is unknown.  
Far from the cry of the city where [the] flowers pretty  
caress the streams,  
Cosy to hide in, to live side by side in, don't let it abide  
in my dreams.

Picture you upon my knee, just Tea For Two and two for  
tea, just me for you  
and you for me alone.  
Nobody near us to see us or hear us, no friends or  
relations on weekend  
vacations, we won't have it known, dear, that we own a  
telephone, dear.

Day will break and you'll awake and start to bake a  
sugar cake for me  
to take for all the boys to see.  
We will raise a family, A boy for you, a girl for me, oh,  
can't you see how happy we would be.
