Oh Momma Momma how come you passed me by last night? (TWICE)
I left my back door open, front door locked up tight
Well you know I love you baby and here's the reason why
It ain't the way you treat me, it's the way you satisfy
Oh Momma Momma you're just like 18 carat gold
You're the cream in my coffee; you're the sugar in my bowl

Oh Momma Momma, can I follow you home tonight? (TWICE)
When I get past your back door, swear I'll treat you right
Well you don't have to say you love me or say that you'll be mine
Just fix me one more drink and love me one more time
Oh Momma Momma you're just like 18 carat gold
You're the honey on my biscuit; you're the butter on my roll

Tell me, tell me Momma, what's on your troubled mind (TWICE)
Pour me another drink of gin and I'll have another glass of wine

Well tell me, tell me Momma are you having any fun? (TWICE)
Who's that knocking on my back door, better grab my things and run
It was only the milkman, let's finish up what we begun
