Hard for you to trust people, you don't trust in God  
Even harder to be the Gods we created to be  
This Western way of life ain't native to me  
Put one nigga in your Pulp Fiction that related to me

I hate it that we, the only race that call our women hoes  
Niggaz, be too hard to say, "Ho" at the shows

Might not have the murderous verse, but I stay hard to  
the chorus

Took this girl to work, she say I ain't have a real job
