Always look on the bright side of life  
Always look on the bright side of life

Some things in life are bad, they can really make you  
mad  
Other things just make you swear and curse  
When you're chewing on life's gristle, don't grumble  
give a whistle  
This will help things turn out for the best

Always look on the bright side of life  
Always look on the right side of life

If life seems jolly rotten, there's something you've  
forgotten  
And that's to laugh and smile and dance and sing  
When you're feeling in the dumps, don't be silly,  
chumps  
Just purse your lips and whistle, that's the thing

So, always look on the bright side of death  
Just before you draw your terminal breath

Life's a counterfeit and when you look at it  
Life's a laugh and death's the joke, it's true  
You see, it's all a show, keep them laughing as you go  
Just remember the last laugh is on you

Always look on the bright side of life  
And always look on the right side of life  
Always look on the bright side of life  
And always look on the right side of life
