It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
No, it's not a mystery, it's everything

She was the type to watch Oprah and the Today Show
Be on the treadmill like OK Go
Had a body, a body that you can't pay fo'
That means she had some D's on her but they wasn't
fake though

Had a drive for a drive for Rodeo
She spent pesos on those Lebeaus
Spin class at the gym, strip tease on a pole
She was so obsessed with her body and clothes

To every party she goes, tryin' hard to be toast
They say it's hard for a pimp but extra hard for these
Readin' Us and People Mag, tryna get the scoop
Chasin' a actor for a Bentley Coupe

She been through the ball player from the Clippers
Then came the pumps all thinkin' she number one
Where she was just a jumpoff
Doin' all she can for a man and a baby
Drivin' herself crazy like the astronaut lady

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
No, it's not a mystery, it's everything

He had paper since we was in, we was in high school
Pop was a doc, mom taught at my school

Lock with the rocks, in his ears he kept jewels
One of the Diddy types, the D-D-Dame Dash dudes

Pushed a Maserati Sport, readin' the Robb Report
Wanted to be Mike but he was never live at sports
Since golf was in he was on the drivin' course
To live the rap life is what he was strivin' for

Spendin' cash at the bar to get credit
Drinkin' Chaundon just because Big said it
They say Ye is but dude was big headed
Rocked the fur in the summer so somebody'd pet it

He had a fetish for shoes that's athletic
Pathetic on his MySpace page half naked
It's a shame what they do for fame and to be respected
Joe, you coulda got it if you never woulda stressed it

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
No, it's not a mystery, it's everything

They was one of them couples, people said they were
the it
Unbreakable, like Bobby and Whit'
Or Ryan and Reese or Kimora and Russ
Relationships can be dead but look live to us

I guess we all been through it where we try too much
Losin' yourself and you're lyin' and stuff
Wishin' for the diamond cuffs, in search of a ring
Where love is not a mystery, it's everything, sing

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down

It's this thing now that's drivin' me wild
I gotta see what's up before it gets me down
No, it's not a mystery, it's everything

Gets me down, gets me down
Gets me down, gets me down
Gets me down, gets me
No, it's not a mystery, it's everything
