(feat. Bilal, John Legend)

[sample] Faithful to thee  
[Common] We got to be  
[sample] Faithful to thee  
[Common] I want to be  
[sample] Faithful to thee  
[Common] Yes, it's for the people, God moves, yeah

[Verse 1]

I was rollin' around, in my mind it occurred  
What if God was a her?  
Would I treat her the same? Would I still be runnin'  
game on her?  
In what type of ways would I want her?  
Would I want her for her mind or her heavenly body?  
Couldn't be out gettin' bogus with someone so godly  
If I was wit' her would I still be wantin' my ex?  
The lies, the greed, the weed, the sex  
Wouldn't be ashamed to give her part of my check  
Wearin' her cross, I mean the heart on my neck  
Her I would reflect on the streets of the Chi'  
Ride wit' her, 'cause I know for me she'd die  
Through good and bad call on her like I'm chirpin' her  
Couldn't be jealous 'cause other brothers worship her  
Walk this earth for her, glory, I'm grateful  
To be in her presence I try to stay faithful

[Chorus]

[sample] Faithful to thee  
[sample] Faithful to thee  
[sample] Faithful to thee  
[sample] I'd like to be her very best friend

[Verse 2]

He worked with her, she was his lady's best friend  
Even if they don't try some ladies test men  
And this was a test that was bigger than him  
Some believe it's the nature that is given to men  
He had a good gig, a wife, a kid, a decent home  
One reason or another couldn't find peace at home  
She asked, "Why do men always have to stray?"

He said, "I'm bad, not as bad as Eric Benet"  
"I used to take 'em out to eat but they wasn't really  
eatin'  
Mighta got a little head but I wasn't really cheatin'"  
It's hard when your lady don't believe what you say  
And what you did in the past you gotta live with today  
She asked if they could spend the night together  
He thought, and said, "I'm tryin' to get my life  
together"  
Went home to his lady, these were his confessions  
"Baby you a blessin' and my best friend"

[Chorus]

[Bilal with his voice overlapping] Faithful to thee  
[Bilal] Faithful to thee  
[John Legend singing]  
[John Legend & Bilal] I'm gonna be, I'm gonna be, I'm

[Bilal] So

[Bilal] So  
[Bilal] So  
[Bilal] So  
[John Legend] So  
[John Legend] So  
[John Legend & Bilal] That's what I'm gonna do  
[John Legend] Faithful to the end  
[John Legend] That's what I'm gonna do  
[John Legend] Faithful to the end  
[John Legend] That's what I'm gonna do  
[John Legend] Faithful to the end  
[John Legend] Yeah, yeah, yeah, yeah
