Everybody wanna be... is the beast on the street no  
relaxing...  
Try to figure if this... is a passing form you niggers  
wanna heat up  
I would be... I am the passenger rolling with my partner  
think I am...  
... try not to look she had an ass on her  
Got out of truck... to meat is the...  
The day felt strange enough walk to the...  
I am saying to my man we got to move on  
Let's move  
We got to move  
All niggers know we got to move  
Cause we paid you  
It's time to make move  
... piss me... I am saying this bitch better be... with a  
nipple on...  
Gave her a hug said what up... take your shoes off...  
She went to the back to handle the...  
I heard an yell on the back  
He said where the fuck is my money yo  
The bitch came out running  
Let's move  
We got to move  
All niggers know we got to move  
Cause we paid you  
It's time to make move
